#### In Memorium

The dry leaves, as if from far away, fall from distant gardens in the skies, fall with an air of resignation

And in the night this heavy Earth falls down, down from the stars, into a loneliness.

All of us fall. This hand must fall. And look around you, it will all go the same way.

Yet there is One who holds all falling things, gently, eternally within His hands.

Rainer Maria Rilke

Patrick Victor Henri Rabasa

From Pau, in the foothills of the Pyrenees in southern France, came Patrick Rabasa. The six thousand miles of land and water he crossed to reach Asheboro are nothing compared to the countless bridges of knowledge and friendship he built for others to follow. This friendly, sexy, creative, good-looking (as described by fellow students), "Frenchie" has won our warmest appreciation and love. We dedicate this page to him.

Up to six months later.

The Army's Delayed Entry Program makes it easy to enlist for the Army option you want. Join at a time convenient to you.

Now, men and women can enlist in the DEP and wait up to 180 days before they go on active duty. There are no drills or other commitments before you report for enlistment in the Regular Army.

This can be the way for you to program your military activities and schedule your departure from home and entry into the military service. Wrap up what you are doing now with the assurance of knowing your exact departure date and of the training you will be enlisting for upon termination of your time in the DEP.

These are some of the Enlistment Options available to you (those indicated with an asterick (\*) let you choose your Basic Training Station too):

### A Glimpse

I peered
Into the mirror
And saw
A cascade of memories
Flow from a stately building —
Memories of other days
And other years,
Glimpses of long ago classrooms
And long ago teachers.
The mirror reflected
The hopes and aspirations
Of passing students,
Their triumphs and defeats.
Then the reflections faded;
Now only memories remain.

reflection 2. careful thought; deliberation

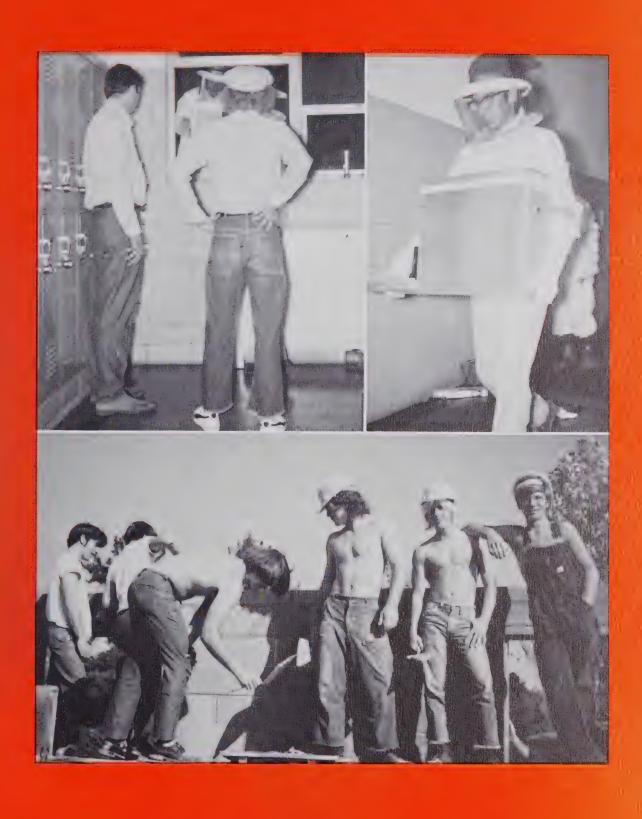

# Appreciation:

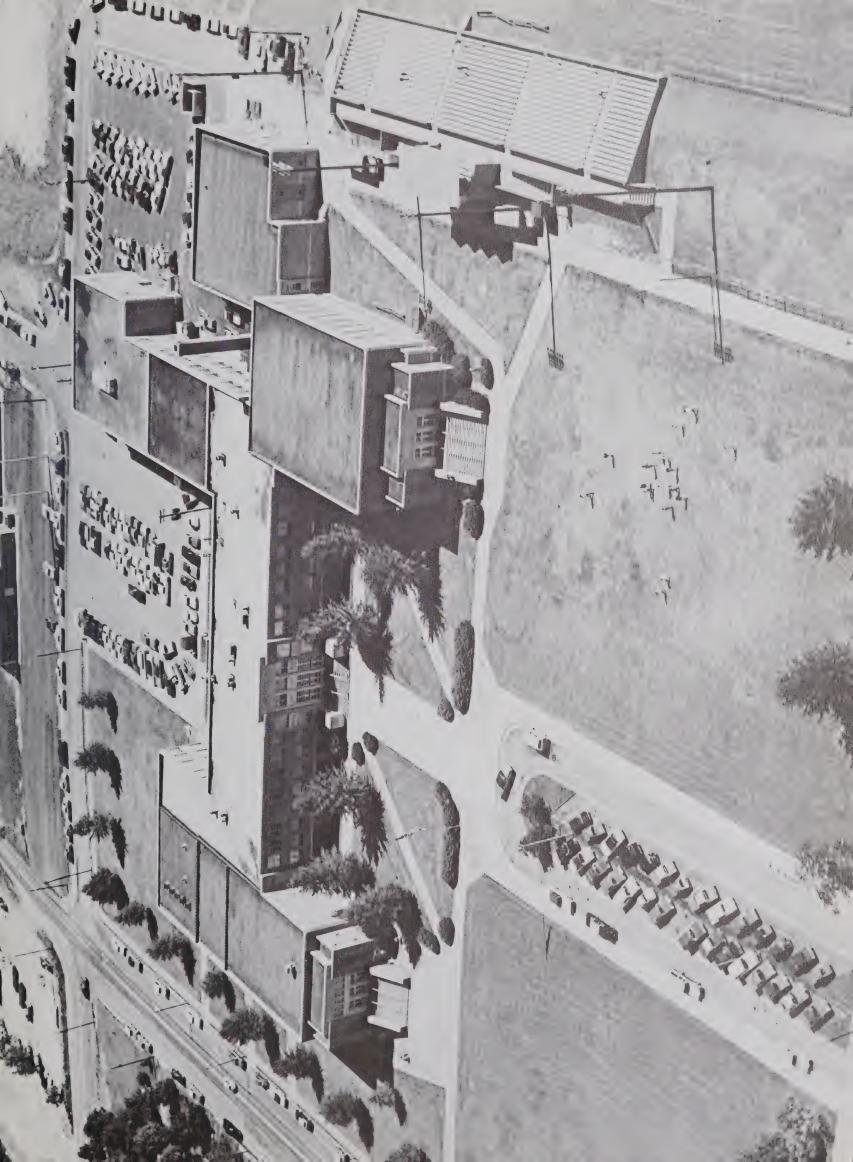

Guy B. Teachey — a distinguished educator and believed community citizen — a real friend to students, faculty, and aiumni — we salute you for your many years of outstanding leadership in As aeboro City Schools.

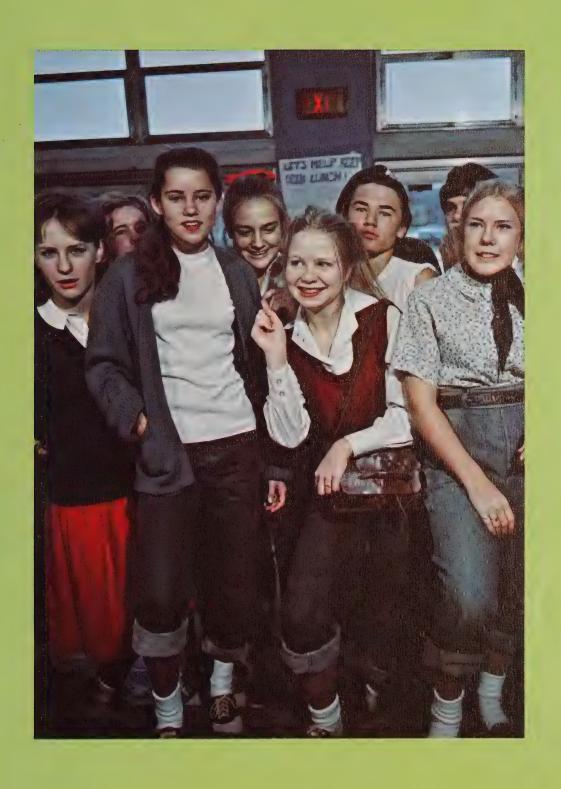

Climb mountains while you may and sing your songs —
Start living every day,
It won't be long before you turn around and wonder where life's gone.

Dianne L. Rutledge
In reflections of the past we see our future.

Worries, frustrations, laughs, sleepless nights and in general, a lot of hard work went into the making of this year's Ash-Hi-Life. There is no way possible to capture all the activities and phases of A.H.S., but we hope this book will be adequate to help you remember part of your high school years. I want to give a big thanks to the following for contributing to this year's annual in special ways: Ed Goldston, our yearbook representative, Mrs. Jo Walker, our layout consultant, Hugh Cashion, Ron Baker, Jim Sink, Gary Knight, Mike Walsh, Steve Aldridge, John Lee, Steve Lemmons, Mr. Marston Wright, Mr. David Stedman, Mr. S.B. Stedman, Mr. E.L. Hedrick, Jr., Randolph County Public Library, and to all the faculty for being so cooperative. A very special thanks to Mrs. Tina Presnell, the Staff, Rick Trogdon, and Mr. and Mrs. Jackson (mom and dad).

Happy Reflections!
Sybil
